Children don't know

that they must eat to grow, but you, as a parent are responsible for seeing that they eat properly. If your child has no appetite, is listless and sluggish, the need of a strengthening, appetizing tonic is indicated, one that will build up the body and that will also stimulate the bile flow properly.

Try Baxter's Bitters, the famous old family remedy. Recommended in cases of constipation, biliousness, indigestion. Only thirty cents at your druggists. For adults, too.
